

Operations Manager

Friends World Committee for Consultation, Section of the Americas seeks a resourceful Operations Manager to join our small, friendly, bilingual, and successful team nurturing faith, hope, and resilience.

About the Organization

The Friends World Committee is a dynamic Quaker organization where you can make a real impact in advancing our mission of understanding and connection among Friends of diverse backgrounds. FWCC is the largest association of Quaker meetings in the Americas, across all the branches of Friends, from the Arctic to the Andes. For more information, visit www.fwccamericas.org.

We organize online and in-person opportunities for Quakers to learn new skills, deepen their faith, and meet new Friends. In our administration, we aim to be fair, generous, sustainable, and transparent. Our board and all of our volunteer committees work bilingually in English and Spanish, and are theologically, culturally, and geographically diverse.

Having just completed our ambitious strategic plan, *Weaving the Tapestry 2015-2020*, FWCC is now ready to move into the next phase of engaging Friends and religious seekers in our work. We are actively working through a scenario-based planning process to discern our way forward in the coming months and years. We were well-positioned to pivot during the Covid19 pandemic to serve Friends throughout the Americas in experimental programs consistent with our long-standing priorities.
